

# PAKISTAN FLOOD APPEAL

www.hopes.org.uk

Pakistan is suffering from the biggest floods of its history. More than 1,500 people killed so far in the floods, the UN estimates that some 20 million people have been affected – at least 2 million more people than in the 2004 Indian Ocean tsunami, the 2005 Kashmir earthquake and the 2010 Haiti earthquake put together.

HOPE  
for Help FOUNDATION

## Hope for Help Foundation Appeal for Pakistan Flood Victims

Hope for help foundation's volunteers have travelled to Pakistan and helping the victims of worst flood in the history of the country by providing food and basic necessities of life on the ground.

We are providing a food package containing 20 kg flour, 5 kg cooking oil, 5 kg sugar, rice etc. Total cost per package would be 3000 rupees equal to 25 pounds approx.

Donate generously for this great cause as we cannot even imagine the reward for helping one Muslim.

- Food for a family 25 pounds
- Hygiene kit 20 pounds
- Tent for a family 150 pounds
- Medical camp 2000 pounds

We are also working on other areas such as Ramadan relief project, Organizing medical camps etc, please check our website for more information about more projects. Please donate your *zakat* money and general donations and make you hereafter better.
